Convenience Fees

If you pay your taxes on-line or by phone, a convenience fee is charged in addition to the property tax amount paid. The credit card convenience fee is 2.5% of paid taxes. The e-check convenience fee is \$3.00.

PLEASE NOTE THE FOLLOWING IMPORTANT INFORMATION

I AM AWARE THAT MY BANK ACCOUNT WILL BE DEBITED FOR THE PAYMENT AMOUNT PLUS ANY FEE NOTED ABOVE. I understand and agree that any mistake, or failure by the bank to pay the County the prescribed amount, is my responsibility.

NOT ALL ACCOUNTS ARE APPROPRIATE FOR ELECTRONIC PAYMENTS. Certain accounts, such as home equity lines of credit and brokerage accounts, may not be acceptable to the Automated Clearing House (ACH) network. If you plan to use an account **other than a standard bank checking or savings account**, please check with your financial institution before submitting payment. A returned-item fee will be charged for any e-check that is rejected by the bank for *any* reason.

A confirmation number does not constitute a paid receipt until the account has been debited.

Additional Information on Convenience Fees

Some state agencies offer online payment services at no additional cost to the consumer. The County of Imperial does not have sufficient funding to cover the cost of the service at this time. For this reason, a convenience fee of 2.5% of the credit card transaction amount, or a flat \$3.00 for an e-check transaction must be charged.

The County of Imperial contracts with a third party vendor to accept credit card, debit card, and e-check payments on our behalf over the internet or through our Interactive Voice Response (IVR) system. The vendor is bonded and partnered with the major credit card companies. Your transaction is securely guarded and county personnel do not have access to your personal or banking information.

All convenience fees are payable to our credit card vendor, not the County of Imperial.
